

# X Plane Boeing 737

Загрузите этот контент (X-Plane 10 Flight Simulator) и используйте его на iPhone. Boeing B737-800 Airliner w/ full interactive cockpit (over 280 switches,.

Описание The power & detail of X-Plane Desktop. On your mobile device. It's not a game, it's a simulator. ▶ 'Highly recommended. [Программа для искривления лица через веб камеру онлайн.](#) ' — Mel Martin, Engadget ◀ ▶ Featured by Apple in 'Best New Games' ◀ ▶ Over 1 million downloads!

◀ Come experience why real pilots fly X-Plane. It starts with the flight model—the same flight model used in our FAA-certified desktop simulator—that's complete enough to model the flex in your wings & the tilt in your landing gear.

Add to that our desktop-quality aircraft with multiple liveries and interactive 3-D cockpits—so detailed you can do a full startup procedure using the hundreds of buttons, knobs, & switches in the cockpit. With working gauges, flight displays, & more, these cockpits are as realistic as those in our full desktop sim. But aircraft are no good without a place to fly them. That's why each of our ▶free◀ regions features detailed terrain, lifelike city buildings, & 3-D airports—complete with terminal buildings, jetways, hangars, & more. ▶ FEATURES √ 9 ▶free◀ tutorials, teaching the basics of takeoffs & landings, traffic patterns, helicopters, & more. √ 2-player internet multiplayer via Game Center (▶free◀ for everyone) √ Fully interactive cockpits on many aircraft, wired to real systems models, with working gauges, displays, buttons, & switches √ Full startup procedures supported on many aircraft (optionally start any aircraft from cold & dark state) √ More than 50 systems modeled, each of which can be failed on command √ Emergency scenarios √ Combat missions ▶ AIRCRAFT The app includes 2 aircraft (plus all 5 scenery regions) for free. Our families wanted us to spend the holidays with them but we said 'No way!

Каталог компьютерных программ для изучения греческого языка - читайте описание, выбирайте. Изучение греческого языка с нуля! Греческий онлайн бесплатно. Превратите свой iPhone, iPad. Программа каждого. В приложении доступно для изучения 45 языков. Программа для изучения греческого [языка](#) скачать. Подборка ресурсов и список хороших учебников для изучающих греческий язык онлайн. Список ресурсов и материалов для самостоятельного изучения греческого языка составлен мной.
